# President's Column

I hope all is well with you and your families as we continue to weather life during the pandemic. Please take time to extend prayers for the health & well-being of our President and those impacted physically, mentally, and economically during these times.

ISRPA is adapting and moving forward in this COVID/19 environment by utilizing Zoom for our Fall Meeting, set for November 7<sup>th</sup>. Although we are meeting virtually, there will be a big agenda covering the 2021 General Assembly, The National Matches, and meeting the challenges of capturing a plethora of new gun owners and introducing them to new skills and the opportunity to experience a world of shooting sports, hunting, and responsible gun ownership.

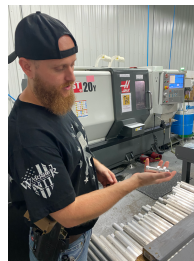

ISRPA will be working closely with the NRA to launch the National Matches in a BIG way this summer; stay posted for opportunities to volunteer, compete, and experience what will be a GREAT event.

## **ISRPA Working on the 2021 Legislative Agenda**

ISRPA has been partnering and coordinating with the NRA, NSSF, and our State groups like the 2A Project and Second Amendment Patriots as we begin to focus on an aggressive legislative agenda. This year we will be pushing for legislation to enact Constitutional Carry, Prohibition of Financial Institutional discrimination against the Firearm Industry, and State Sovereignty with regard to potential Federal Anti-Constitutional Initiatives.

## **Indiana Firearms Manufacturers Going Strong!**

This past month, I visited with three amazing manufacturers: Fostech (Seymour), Freedom Ordinance (Evansville) and Cloud Defensive (Evansville). Fostech is famous for its Origin 12 Shotgun and Echo Trigger (you also have to check out their Phantom Rifle and Tomcat Pistol!); Freedom Ordinance makes a fantastic 9mm Carbine (See the FX-9!) and related company, Cloud Defensive, creator of the OWL Weapon Light. All three companies are booming and working towards impressive expansion, each making an incredible contribution to the Hoosier economy. All I can say is that if you have an opportunity to buy any of their products, don't hesitate because they don't stay on the shelves for long...and that's only if they aren't sold before they get there!

## **YOUR VOTE IS MORE IMPORTANT THAN EVER!**

Don't forget to vote November 3rd!!! We need 100% participation from everyone who supports the Second Amendment, the Constitution, and the USA! The NRA Candidate Endorsements and Grade Card can be found in your October NRA Magazines or at <https://www.nrapvf.org/grades/Indiana/>. Of special note is the Attorney General's race and Todd Rokita. Democrats have weaponized Attorney Generals around the Country, aimed to attack the Second Amendment AND the members of groups that support our Constitution. The Attorney Generals of New York and the District of Columbia are seeking to abolish the NRA and NRA Foundation "for the good of the members"...**B.S. A vote for Todd sends a clear message to the Democrat Attorney Generals Association that they picked a fight with the wrong citizens.**

Additionally, I have heard a lot of concern about Governor Holcomb and the COVID mask issue. No matter where you fall with the mask mandates, it is critical, now more than ever to support the Governor. I understand completely the consternation caused by the pandemic, but the fact remains that the Governor

## **ISRPA Annual Meeting and Awards Banquet November 7**

This year the ISRPA Annual Meeting and Awards Banquet scheduled for Saturday November 7 will have a different format. The challenges of the pandemic, social distancing, and uncertainty around reopening venues rendered planning for an in-person event virtually impossible, so we are planning for a (mostly) virtual event. Planning is in progress for a Zoom Annual Meeting and Awards program to be distributed electronically. Plans are also in progress for a reduced capacity awards program to be held at The X Count in Ft. Wayne, with either Zoom attendance or videotaping for wider participation. More information will be available on the website and ISRPA Email news as planning is finalized.

*(President's Col. Cont. from page 3)*

has been one of our staunchest supporters. He was certain to include firearms ranges, shops, and manufactures in the definition of essential services from the very beginning of his Executive Orders. He is leading in a very difficult time, but we cannot let the 2A effort be divided and vulnerable to be conquered.

**Most importantly**, Governor Holcomb has blessed us with the best emissary for the shooting and hunting sports in Indiana History, **First Lady Janet Holcomb**. Almost on a daily basis, she teaches, inspires, challenges, and guides so many in shooting adventures.

From shooting hogs from a helicopter to Elk Hunts out West and from busting down doors with SWAT teams to sniping with Special Forces at Fort Bragg and teaching Women, Boy Scouts, and National Guard Spouses how to shoot, she makes even Teddy Roosevelt look like a slouch. In my humble opinion, we can't afford to lose that inspiration, especially now. Both the Governor and First Lady have been instrumental

in bringing the National Matches to Indiana, courting firearms manufacturers to make the move to our State, and creating an environment to allow the shooting sports to grow like Hoosier corn. I won't tell you how to vote, **but I'm voting for both Eric & Janet Holcomb!**

It is vital that we keep you, our members, up to date on what is happening in the ISRPA. Your email address is used only by us and is never given out to other groups. As a rule, due to printing handling and mailing the electronic version of the Indiana Shooting Sports News is available approximately **two weeks** before the mailed copy is available. ## **New Firearm Owners**

Nearly five million new gun owners have joined the 100 million-plus gun owners already in the U.S. in 2020, according to recent estimates from the National Shooting Sports Foundation (NSSF). The same data also shows that 40% of all firearms sales are going to first-time buyers. As responsible association members, we need to direct these new gun owners to the various firearm **safety**, education and training classes available in our state.

# ANSCHÜTZ OPEN

*By Diane Rice, Director NE*

Competitors from Wyoming to Georgia converged upon The X Count on August 15 for the first ever Anschütz Open. The athletes ranged in abilities from experienced national team members to relative newcomers to the sport. Excitement was in the air as

\$7,500 in prizes were up for grabs to the top eight competitors. The coveted top prize was an Anschütz 9015 Precise valued at \$4,200. Interestingly, only three weeks prior, this match was not even a thought.

In July, the rifle shooting community experienced yet another major loss due to COVID. The Walther Cup, scheduled to be held at the University of West Virginia on August 15th was cancelled. Indiana leaders were motivated to spare their constituents the continued disappointment that the loss of such a significant match would bring to the highest level of competitor in Olympic rifle shooting. Walther Cup Founder/Coordinator and West Virginia University coach, John Hammond encouraged Indiana to host a competition, if possible, for the sake of the sport and its competitors.

Match organizers reached out to Anschütz representatives both in the US and Germany to find an alternate match sponsor. Relying on an existing relationship and a recent visit to the factory in Germany to lay the groundwork for such a venture, leaders at The X Count began the planning the Anschütz Open. The German company's only condition was that this would be an annual event and not just a response to COVID.

Top Eight finishers of this match were as follows:

- 1<sup>st</sup> – Katie Zaun – South Dakota
- 2<sup>nd</sup> – John Blanton III - Mississippi
- 3<sup>rd</sup> – Mackenzie Miller – Indiana
- 4<sup>th</sup> – Gavin Barnick – Wisconsin
- 5<sup>th</sup> – Julianna Hays – Minnesota
- 6<sup>th</sup> – Scott Rockett – North Carolina
- 7<sup>th</sup> – Natalie Perrin - Michigan
- 8<sup>th</sup> – Dylan Gregory – Illinois

# NRA Advanced Rifle Training Resumes

*By Diane Rice, Director NE*

The Advanced Certified Coach - Level 3 is the highest-level coach certified by the NRA and its coach education partners. The Level 3 Coach has received advanced training and meets the highest requirements that NRA and its coach education partners have established for certification. The Advanced Certified Coach is recognized to coach advanced athletes and is eligible to work at the international level in Junior Olympic Shooting Camps and other USA Shooting sponsored international shooting programs.

It had been several years since the Advanced Coach Course had been offered. Historically it had been taught just prior to the Coach College at the Olympic Training Center. The coach college typically took place biannually but was not held in 2019 due to financial and organizational challenges at USA Shooting. The X Count has been working to fill the gap left by this cancellation for the last several years.

Staff and organizational changes in the NRA's Education and Training department posed a challenge for the implementation of this course but finally with persistence the NRA agreed to allow the course to be taught.

Originally, the course was scheduled for early June but as yet another casualty of COVID, the class had to be rescheduled. Ultimately, the class was able to be conducted, August 7-9. As a significant force in the shooting sports community, Indiana became the most natural place for this to occur. The X Count, a USA Shooting Certified Training Center, was a logical host site. Exceptional staff both local (Gregg Rice – ISSF Licensed Coach) and national (Bob Foth – Olympic Medalist and former US National Team Coach) provided the necessary professional level of instruction for coaches from Wyoming to Mississippi who had been waiting for this course to be offered. All involved noted the success of the program and organizers agreed that this would be the first of many coach training experiences in Indiana.

**Below, Gregg Rice has the helm, instructing coaches in the Level 3 program.**

# LEGISLATIVE REPORT

*By Bill Dowden, Legislative Director*

With most attention focused on the presidential election, Hoosier gun owners need to remember 25 Senate seats and 100 House seats in the Indiana General Assembly are up for election as well. Hopefully ISRPA

members have been in contact with candidates in their districts. Various political action groups have graded and/or endorsed candidates who agree with their positions. The National Rifle Association has announced their endorsement of 18 Senate candidates and two thirds of the House candidates. Unfortunately, history has shown that sometimes endorsed candidates do not honor the endorsement due to pressure from other political action groups; therefore, it is important that gun owners and supporters of the right to keep and bear arms stay in touch with their respective legislators. Information regarding the legislative districts and the candidates is available at [www.in.gov/sos/elections](http://www.in.gov/sos/elections).

Without a doubt the 2020 presidential is the most important national election in our lifetime. The two major political parties have clearly defined the direction they would take. One is now directed by a radical, socialist group which is attacking not only our right to keep and bear arms, but other rights protected by the Constitution, such as religious freedom and freedom of speech. The other party offers a continuing course of a united people with individual freedom and liberty and a respect for the Bill of Rights in our Constitution.

The slogan "Crossroads of America" reminds Hoosier gun owners that America faces a "crossroads" for the future -- do we take the road to a socialist state which historically has led to a loss of freedom and liberty? Or do we stay on the road marked "In God We Trust" which maximizes individual liberty and freedom and assures our children and grandchildren of the same rights and responsibilities that we inherited from our forefathers? The choice shouldn't be difficult!

## The X Count Wins First Ever Back-to-Back Monthly Rockstar Recognition

*By Sue Mogle, Exec. VP*

In 2019 the **MidwayUSA Foundation** began a yearlong contest to incentivize fundraising efforts by youth shooting sports teams. The Annual **Rockstar** contest gives sizeable financial incentives to youth shooting teams who have the largest match eligible contributions to their team's trust during a given year.

In 2020 **MidwayUSA** will award the top five teams a combined total of \$50,000 in incentives by way of a contribution to their endowment accounts. Through generous contributions of Larry and Brenda Potterfield, 100% of donations go directly to the Teams. These Team endowment accounts return funds for operating expenses for the respective youth shooting teams each year. Each month, as a way of keeping teams excited and engaged, the team that has the largest match eligible contribution for the month is given the honor of **Monthly Rockstar**. This team is featured on the **MidwayUSA Foundation** blog and given a small financial token to their account. For the first time ever, this July and August, the monthly challenge saw a back to back winner. Congratulations to The X Count (Ft Wayne), the MidwayUSA Foundation Monthly **Rockstar** for both months!

The X Count gave credit to their local community and the broader shooting sports community, especially state organizations IYSSF and ISRPA for partnering with them in their programming and fundraising efforts. They noted that it was important to always dream of bigger and better things: "Having dreams for the future helps keep things exciting and fresh and keeps constituents engaged in fundraising efforts." reported The X Count's President, Gregg Rice. The X Count relied heavily on the fundraising products offered to teams by the **MidwayUSA Foundation** to grow their endowment accounts. The Indiana Youth Shooting Sports Foundation and the Indiana shooting community wish the best of luck to all our Indiana youth shooting sports program as we compete for top five ranking in the Annual **Rockstar** challenge.

# HOOSIER HOME RANGE HUNDRED MATCH SERIES

*By Larry Beardsley*

The Hoosier Home Range Hundred was a series of matches that were the brainstorm of Larry Beardsley and Mark Richard of Ft. Wayne Rifle and Revolver Club and Dave Schnelle of Wildcat Valley Rifle and Pistol Club. These matches were fired at local Indiana clubs, with the intent of generating more participation with less travel. A total of five ranges hosted these 100 yard matches between late August and the end of September.

**At right; Life is hard for a Hoosier Home Range Hundred target face!**

Each match was an 80 round RMC fired on reduced targets at 100 yards. Awards were varied, from individual to team and club awards. Below is a summary of the award winners. There were significant cash awards for all winners, thanks to three local Indiana sponsors; Maples Road Instrument Services, Silver Mountain Targets USA, and an anonymous Association of Marksmen, National Guard Hall of Fame Member.

## 2020 ISRPA Across the Course High Power State Championship Series

*By Sue Mogle, Exec. VP*

The ISRPA Across the Course State Championship Series is comprised a series of Highpower matches held across Indiana to give shooters a chance to compete in all phases of High Power competition. 100 and 300 Yard Reduced and the Full Course (200-600 yard) Match; the Vintage Sniper and Garand State Championship have been a Highpower Tradition in Indiana for many years. New this year is the Hoosier Home Range Hundred series, a series of 100 yard reduced course matches shot over several weekends at various ranges in Indiana. The brain child of Larry Beardsley of Ft. Wayne Rifle & Revolver, the match series was very well attended. Read the full article elsewhere in this issue of ISSN magazine!

With near perfect weather for the weekend, the 2020 ISRPA State Championship Series concluded September 19-20 with the Across the Course State Championship held at Camp Atterbury. New for this year, the Course State Championship consisted of the 1600 point Aggregate of Saturday and Sunday's matches. Congratulations to Match Winner Sean Pickel! Full match results are posted on the ISRPA website [www.isrpa.org](http://www.isrpa.org).

Also new for 2020 were awards for Individual Aggregates: winners of the Offhand, Rapid Fires, and Prone Slow Fire weekend aggregates received recognition- and \$20. This was our (re)introduction to payouts for the State Championship matches. In the past three years we've brought the CMP KTS targets to Camp Atterbury (2018), purchased our own 10 ISRPA Silver Mountain Targets and built frames and supporting infrastructure (2019), and added 5 targets and frames in 2020. All of this has required a huge investment, and precluded any payouts while we built the ISRPA Course High Power program. We've been careful and lucky building our resources, and as a result are able to begin considering payouts for High Power matches.

Perpetual Trophies for the Highpower State Championship Series are maintained by ISRPA High Power. The Indiana State Championship matches draw many good shooters from Illinois, Ohio, Kentucky and even further afield. Whereas State Champions must be a resident of the state per NRA rules, the trophies recognize the High Scorer regardless of residence. The Trophies are displayed at the ISPRPA Awards Banquet and on line on the ISRPA website [www.isrpa.org](http://www.isrpa.org). State

Champions in each category are recognized with a State Champion plaque. Congratulations to 2020 Winners: RMC State Championship Match (Dan Ireland Trophy) and Indiana Across the Course State Champion - Sean Pickel. High Service Rifle and RMC State Championship Match (Moncrief Service Rifle Trophy) - Mike King. High Junior, RMC State Championship (Peter Faatz Junior Award) and Indiana Junior State Champion - Andrew Beaver. 300 Yard Reduced Course State Championship - Match Winner Liam McKenna and Indiana State Champion Mark Richard. 100 yard Reduced Course State Champion - Dave Schnelle. Grand Aggregate (Across the Course, 300 Yard Reduced Course, and 100 Yard Reduced Course), Indiana Aggregate State Champion: Mike King.
