

ISRPA LORENZEN JUNIOR RIFLE CHAMPIONSHIPS 2020

The registration fees for in state programs will be matched by IYSSF for a deposit to your MidwayUSA Foundation Trust (*Teams with a MidwayUSA Foundation account in good standing)

Special thanks to the Indiana Youth Shooting Sports Foundation

This matching opportunity is available because of their vision and hard work. IYSSF has allocated up to \$6,000 to match registration fees from in state programs with accounts in good standing. We expect the match to be 1:1 but it will be dependent upon the number of participants and the number of organizations with accounts in good standing. Once registration is complete I will submit a spreadsheet to IYSSF letting them know what each group has paid. IYSSF will then deposit a check equal to the amount paid in registration fees to each group's MidwayUSA Foundation account. Below is an example.

Team	Registration Fees	IYSSF Contribution to the Team's MidwayUSA Foundation Account.
Team A*	\$500	\$500
Team B*	\$125	\$125
Team C*	\$400	\$400
Team D*	\$1,000	\$1,000
Team E*	\$1,735	\$1,735
Team F*	\$180	\$180
Team G*	\$60	\$60
Total	\$4,000	\$4,000

*Indiana Team with MidwayUSA Account in good standing.

**If registrations are more than \$6000 the match will be less than 1:1.*

Indiana recently received recognition from MidwayUSA Foundation for being the state with the highest percentage of accounts in good standing in 2019, 97%. **Many thanks to the rifle groups that have been working with me to accomplish this.** Many of you took a leap of faith and are now reaping those rewards. Many people thought I was a little crazy when I first began telling them about this program but are now happy they believed in it. If you don't already know, 75% of the money in The X Count's account has come from the Potterfield family and we are hugely grateful to have already received more money back than we invested locally.

The Potterfields through MidwayUSA Foundation encourage Teams to have some vision for long term sustainability.

***Your MidwayUSA Foundation Account can lay the groundwork for your team for the future.** If you are not already aware, there are FREE promotional products (mostly guns, blades, and optics) available for your team to raise funds. Once you conduct your fundraiser, the Foundation recommends that you send a certain amount back to your Foundation account but you may keep the rest of the money locally for team's current needs. In addition, the Indiana Youth Shooting Sports Foundation will sponsor two raffles in 2020. IYSSF does all the work of obtaining the raffle items, permit, tickets, etc. Teams only have to take the number of tickets they think they can sell. In 2020 Teams will keep half the ticket amount for themselves and return half to IYSSF. IYSSF will then match the ticket amount for that team's MidwayUSA Endowment Account. Details will be available mid-February.

The Potterfield family wants programs to have a source of revenue for decades to come. They are true philanthropists who feel that the only way to preserve our freedom is by insuring that the youth are participating in shooting sports. They are also very savvy businessmen. I have had the pleasure of talking with both Larry and Brenda on multiple occasions. They are humble and kind. They truly care about the future of youth shooting sports.

We are working on both the state and national level to allow our out of state participants to benefit from this program. We will keep you up to date if this changes. Due to specification of the funds allocated to the IYSSF, funds can only be contributed to the MidwayUSA Foundation account of the team. Funds will not be sent directly to the team.

Let the questions roll in!!!
