We have a creek to cross.

If you are uncomfortable placing your vehicle into the creek, please contact me before the match to arrange transportation to the range.

### **ELIGIBILITY:**

Open to all shooters. NRA membership is not required.

### **RULES:**

Current NRA High Power Rifle rules will apply. Competitors will be required to work pits and score targets. Use of the plug type scoring gauge will be restricted to the Pit Officer only.

### **PIT DUTIES and RELAY ROTATIONS:**

We will be scoring in the pits if there are fewer than 21 shooters. We will run 2 relays, with one shooter on the line and one shooter in the pits. Relay one will shoot the 200 and the 300 yard line first, and then we will rotate the pits and shooters. Relay 2 will shoot through the entire match, changing firing line positions without a pit change. After the 500 yard stage, we will rotate pits again and Relay 1 will shoot the 500 yard stage.

**THIS ONLY APPLIES IF THERE ARE ONLY 2 RELAYS!**

**State Championship and EIC matches will have 3 relays minimum**

## **CLASSIFICATION:**

NRA Classification system will be used.  
Classification Card, temporary score book,  
or an assigned classification is acceptable.

If five or more unclassified shooters compete, they will be placed in a separate class, otherwise they will compete in the Master class.

Unclassified shooters must be sponsored by a classified shooter or have completed an approved training clinic.

## **AWARDS:**

Cash for Match Winner in each match.  
If there are less than five shooters in a class they will be grouped with another class except for High Master/Master. If there are less than five High Master/Masters, they will compete for Match Winner only.  
A shooter may win only one award per match.

## **FIRING WILL COMMENCE AT 8:30 AM EASTERN TIME**
