President's Column

HAPPY NEW YEAR!

I hope that everyone has had a GREAT holiday season. 2023 will be an INCREDIBLE year in Indiana, but we will still have to be vigilant. Case-in-point: while we prepared for and celebrated the holidays, there was a huge movement afoot to undermine our Constitutional Rights. Directly out of the Grinch's playbook, the US Conference of Mayors unsuccessfully pushed to have Congress pass legislation during the "lame duck" session that would have banned an entire class of Modern Sporting Rifles (MSRs). 76 Mayors signed a letter to US Senate Leaders urging the passage of a ban on semiautomatic centerfire rifles that are misleadingly labeled "assault weapons," saying that "it would not in any way infringe on Second Amendment rights," according to the mayors. **WOW...** To add insult to injury, the mayors also pushed for an egregious Background Check Expansion Act that went beyond "universal background checks" by including the requirement of a national firearm registry. Of the signing 76 Mayors 5 were from Indiana: Mayor Thomas Broderick Jr., Anderson - Mayor James Brainard, Carmel - Mayor Thomas Henry, Fort Wayne - Mayor Jerome Prince, Gary - Mayor Joseph Hogsett, Indianapolis.

If you are a constituent of any of these Mayors, please take the time to call, write, or visit them to

educate them on the sanctity of the Second Amendment and the fallacy of the "Assault Rifle".

While I caught up on all of my reading (and CLE's!), it became apparent to me the magnitude of siege that we are under and the importance of staying united and standing our ground with regard to our fundamental rights. One of my daily reading requirements is an email stream from Tim McGinnis, subject matter "NRA Daily News." I definitely need to petition for a new title, such as NRA Hourly News or NRA Breaking News, as I receive about 6-8 daily emails from him, each with an average of 4 breaking news items related to 2A and Firearms. Not complaining, all is important information to maintain situational awareness. One of Tim's reports included a link to MSNBC's Ari Melber and her show, "The Beat." The show host recently said, "2022 was the year that the NRA lost its myth of invincibility." She went on to interview a VP for Everytown for Gun Control who gloated about 15 Republican Senators voting for the "Safer Communities Act", stating that it demonstrated the "strength of their movement."

The "Tip of the Spear" and lead Civil Rights Champion, The NRA, is the main target of just about every liberal, socialist, communist, and anarchist organizations (and, of course, their fake news surrogates) in the country. What these misdirected ideological groups (attempting to maintain my New Year's Resolution of civility) do not understand is that the NRA is not an organization, it is an organism. It is you and I, it is all Americans who believe and are committed to preserving our freedoms and to be vigilant against the forces of tyranny. We all need to fight hard to keep the NRA alive and well, as the end of the NRA would foreshadow the end of our free and great Country.

For the New Year, make a resolution to engage, get involved, call your legislators and Congressmen, and be an active participant in protecting and promoting the 2A and American Freedoms. All members of the ISRPA, NRA, and 2A family have an incredible opportunity to participate in a unified show of strength, vitality, and unity...The NRA Annual Meetings and Exhibits, April 14-16, 2023 in downtown Indianapolis. Siblings – Serving and Shooting

By Diane Rice, Director NE

In 2015, the Dely family moved to Fort Wayne, Indiana from Memphis, Tennessee. Second child, Mark Dely was a freshman and played rugby for Homestead High School. One of Mark's teammates, David Boler, was an athlete on the local rifle team at The X Count. David told Mark about shooting and Mark began to call and inquire about joining the team. Despite a busy summer, that following fall, Mark joined the rifle team as a high school sophomore.

Following shortly thereafter, Mark's younger siblings also joined the team. From the first days on the team, Mark expressed his interest in attending the United States Naval Academy. Admission to the US Naval Academy requires a robust and well-rounded resume. With a late start in rifle, Mark knew that his other activities would have to carry him through the admissions process. In late 2019, Mark received the principal nomination to the US Naval Academy. His scores were not strong, giving no indication that he

would be able to be a part of the NCAA Rifle Team at the Naval Academy. That spring, the pandemic hit, and Mark was able to spend countless hours training. Ultimately, he was invited to be part of the team.

Two years later, younger sister Catherine ventured on the same process. Catherine's scores were stronger, so she was of immediate interest to Head Coach, Mike Anti. As Catherine joined the team, she was able to travel with the counting squad almost immediately, surpassing big brother's scores.

Just a few weeks ago, the youngest Dely sibling, John, received the principal nomination to the US Naval Academy. John will have some work to do to meet the high standards set by his siblings on the rifle team but sibling rivalry can go a long way on the range.

Due to Covid and associated problems with securing a venue, it has been at least 2 years since we formally awarded trophies to the High Power Across-the-Course season winners. This year, we presented awards to any competitors that attended the ISRPA Annual Meeting on November 5, 2022.

For 2023, we have much bigger plans for the Annual Awards Ceremony. It will again be in conjunction with

the ISRPA Annual Meeting currently set for November 4, 2023. We will do formal planning for the following season, with input from all competitors in attendance. In addition, we hope to have drawings for significant prizes only for those in attendance. **Mark your calendars now, and plan to participate in not only the recognition of trophy winners, but also the planning of statewide matches for the upcoming year.**

Director SE, Jerry Wehner draws the winning tickets for the “Henry Golden Boy” and “Glock 44” at the Annual Meeting, while witnessed by VP Special Projects Bill Jordan and Madelyn Schnelle. A Southern Classic

By Jeannie Redicker

The third week of November, eleven shooters collectively representing both the Indiana State Rifle & Pistol Association as well the Southern Indiana Rifle & Pistol Club descended upon Talladega, Alabama to compete in the CMP Sponsored Talladega 600 "A Southern Classic" hosted at the Talladega Marksmanship Park. This facility features amenities one might associate with a country club but geared toward numerous disciplines of the shooting sports. The main range features covered firing points for shooting at two, three, and six hundred yards, utilizing the Kongsberg electronic target system. This allows the facility to run a rifle match in half of the time that would be required using manual targets allowing for an enjoyable weekend of marksmanship, fellowship, as well as good sportsmanship.

While everyone attending the matches had hoped for warmer weather in a more southern locale than Indiana that was not to be the case. The chilly temperatures seemed to follow the shooter's migration south adding their own challenges to the match. The Indiana contingent persevered and represented the state very well filling many of the top rankings during the weeklong set of matches that included a four and two man across the course team match, Excellence In Competition (EIC) match as well as the CMP games matches featuring the M1A, M1 Carbine, Springfield, Vintage Military and the M1 Garand rifle .

Paul Jackson was the first to arrive at Talladega and attended the Small Arms Firing School on Tuesday where he took first place earning four points toward his distinguished rifleman's badge at the M16 match that followed SAFS. Jackson scored a 380-9.

Wednesday was the four-man team. Jeannie Redicker put together an all ladies four-man team again this year, with ladies from Alabama, Tennessee and Indiana. They finished 7th with Redicker scoring a 477-9.

Thursday morning was the Dixie Double where Redicker paired up with one of her fellow four man teammates and friend Ashley Kennedy Foster from Tennessee and they finished 5th out of 37 teams with Redicker scoring 285-8. Drew Rudd and David Harrison teamed up and finished 23rd scoring 253-0 and 270-2 respectively. Paul Jackson and Mike Diehl finished 29th scoring 257-2 and 254-1. Also representing Indiana were Chance Voyles and Mike Korff who finished 35th after a rifle malfunction. They scored 240-0 and 182-0.

At right, Paul Jackson in the foreground and Drew Rudd in the background are firing the M1A match.

Jeannie Redicker starting the all ladies four man team off strong.

In the afternoon the Congressional 30 was shot with 82 shooters vying for the top thirty spots, six of those shooters were from Indiana. Jeannie Redicker finished 15th with a score of 287-7, David Harris 42nd with 273-3, Paul Jackson 46th with a 271-3, Drew Rudd 57th with 264-3, Mike Korff 67th with 257-3 and Mike Diehl 71st with a 247-3.

The Excellent in Competition (EIC) match fired on Friday morning had 97 shooters. In an EIC match similar to the M16 match shooters can earn points toward their distinguished rifleman's badge. These EIC matches bring a bit more pressure than regular matches do, because you are only allowed to compete in five EIC

(Cont. from previous page)

matches per year. Redicker had issues and could not put four good strings together, crossfiring on her third shot of slow prone at 600. She went on to finish strong with a 98-6 on the last ten shots of slow prone. Ultimately, her mistake put her in 28th place with a score of 467-14. Paul Jackson finished 54th with 451-7...Drew Rudd was 58th with 447-9...David Harrison 65th with 438-2 and Mike Korff was 91st with 356-0.

On Friday morning the Carbine match, had 28 shooters participating. Chuck Montgomery finished 3rd with 348-1, Mike Diehl 5th with 344-0, Jerry St John 22nd with 282-0 and Donnie Abbott 23rd with 278-0.

After the EIC and Carbine matches, the games matches started with the MIA match Friday afternoon...there were 31 entries. Paul Jackson took 4th place with 358-5, Mike Korff 11th place with 339-1, Chuck Montgomery 12th with 336-2, David Harrison 14th with 332-1, Jerry St John 16th with 322-2, Drew Rudd 19th with 320-0, Mike Diehl 23rd with 278-2 and Donnie Abbott 31st with 177-0.

Saturday's matches provided the opportunity to shoot four GSM matches and Indiana made an excellent showing. The Garand Match had 82 entries. Mike Korff finished 12th with 274-5, Paul Jackson 14th with 274-5, Mike Diehl 20th with 271-2, Jerry St John 24th with 268-3, Chance Voyles 26th with 267-3, David Harrison 32nd with 264-1, Drew Rudd 33rd with 264-0, Chuck Montgomery 37th 259-5, Donnie Abbott 59th 229-0 and Larry Klosterman 60th with 227-0.

The Springfield Match had 52 entries. Chuck Montgomery was 5th with a score of 280-3, Jerry St. John 7th and won High Senior with 277-8, Paul Jackson 10th with 274-2, Mike Korff 13th with 271-3, Mike Diehl 14th with 271-1, David Harrison 32nd with 256-2, Donnie Abbott 36th with 251-3, Chance Voyles 41st with 244-2,

Larry Klosterman 43rd with 238-2 and Drew Rudd 50th with 203-1.

Vintage Military Match had 41 entries with Paul Jackson finishing 4th with 275-2, Mike Korff 7th with 271-6, Drew Rudd 9th with 269-3, Chuck Montgomery 14th with 264-2, Jerry St. John 17th with 261-1, Donnie Abbott 18th with 259-2, Mike Diehl 19th with 255-1, David Harrison 23rd with 247-2 and Larry Klosterman 31st with 233-2.

Modern Military Match had 33 entries with Mike Korff placing 7th with 282-5, Mike Diehl 19th with 270-1, Drew Rudd 20th with 270-0, Paul Jackson 21st with 269-4, David Harrison 24th with 259-1 and Donnie Abbott 25th with 259-0.

Of the four GSM matches, 33 shooters participated in at least three of them for the 3-Gun Aggregate. Paul Jackson finished 4th, Mike Korff 5th, Jerry St. John 7th, Chuck Montgomery 8th, Mike Diehl 9th, David Harrison 19th, Donnie Abbott 24th, Drew Rudd 25th and Larry Klosterman 29th.

Twenty-two shooters participated in all four of the GSM matches. Mike Korff finished 3rd, Paul Jackson 4th, Mike Diehl 6th, David Harrison 11th, Drew Rudd 13th, and Donnie Abbott was 14th.

The final match of the Talladega 600 Southern Classic was the Vintage Sniper match with 30 teams competing on Sunday. Ten of the Indiana cadre participated. Jackson/Korff finished 11th with 374-7, Harrison/Rudd 12th with 372-5, Abbott/St. John 16th with 367-9, Voyles/Diehl 21st with 357-6 and Montgomery/Klosterman were 23rd with 348-4.

The matches were a great time to compete, improve marksmanship skills and most importantly have fun. We had a host of stories and good-natured teasing with friends old and new that reinforces what is so great about the shooting sports community. The Indiana Cadre made

quite the showing this year and they represented Indiana well. I saw lots of smiles, joking, courtesy and sportsmanship. Without a doubt everyone is counting the days looking forward to warmer weather and next year's matches to do it all again.

LEGISLATIVE REPORT

By Bill Dowden, Legislative Director

With a strong Republican majority and a very significant pro-Second Amendment majority, the Indiana General Assembly enters its "long session" from January 9 to April 29, 2023. This session is considered the "budget session" which will design a two-year budget; however, there will be hundreds of bills introduced, and many enacted, which have nothing to do with the budget priorities.

It is important that law-abiding Hoosier gun owners watch very carefully for any bills introduced which could affect their right to keep and bear arms which is protected by both the U.S. Constitution and the Indiana Constitution. The 2022 session saw the strongly supported "constitutional carry" bill come perilously close to being killed by the Senate Judiciary Committee where all the firearms bill were assigned. Although the Chair of the Committee had in her campaign material that she was a member of the National Rifle Association (a pro-Second Amendment Republican), she blatantly refused to allow any pro-Hoosier gun owner legislation to pass in the Committee. Only through the unrelenting efforts of individual Senators and Representatives, representing the will of the majority, "constitutional carry" was passed in another committee at the eleventh hour.

With all the issues in the 2022 Federal Elections pointing to a needed change in the U.S. Senate and House, the leadership in the Republican Party managed to lose the Senate again and barely gain a razor thin majority in the House. Hoosier and Buckeye voters have good reason to question their Senator Young and Senator Portman who supported the Biden administration's "Safer Communities Act" in the name of "common sense" legislation -- an act that dispenses lots of money to various groups without really reducing crime but imposing more burdens on honest gun owners. Most Hoosiers probably agree that a real change is needed in Washington.

ISRPA members need to be alert to any infringement of their individual right regarding firearms at the local, state, and national level. The Founding Fathers and the drafters of the Declaration of Independence and the Constitution knew what they meant when they prohibited any infringement -- trespass or violation of an American's right to keep and bear arms. As important today as it was when it was attributed to **Thomas Jefferson: *Eternal***

vigilance is the price of liberty -- vigilance on the town square or the banks of the Potomac River.

A MODEST PROPOSAL

By Kirk S. Freeman, Director, NW

With the passage of Constitutional Carry in Indiana in 2022, many have asked me "where do we go from here, Kirk?" Well, let me tell you, in order to further the interests of the right to keep and bear arms, I believe we need to affect the culture as politics is downstream of culture.

A vector to secure this objective is to explore the legitimate concern over safety with firearms, especially firearms safety with children. As well, it is well-established that to make significant cultural impact and to make anything permanent is to make it part of the tax code.

What I propose for the Indiana General Assembly and the United States Congress is to make the purchase of gun safes an above the line tax deduction. As well, training class tuition, ammunition, travel, lodging would be an above the line tax deduction.

Note these deductions would be 100%, or to heighten their impact, we could make them 200% of the actual cost. Also, to ensure that the tax deduction is not just for those in higher income homes, the tax deduction would be above the line and shrink adjusted gross income ("AGI") rather than being an itemized deduction, which would be more helpful if one has a higher income. A lower AGI helps all income brackets.

Making gun safes and training classes tax deductible would not only help public policy on reducing firearms accidents but would positively impact the gun culture of firearms training by providing an incentive to attend "gun school" and to create fertile soil for new RKBA advocates. To paraphrase Napoleon, software (training) is to hardware (guns) as 3 is to 1 and in person training with an instructor at your elbow represents far more commitment than just strolling in to a gun store and buying a firearm.

These tax deduction proposals give us fewer accidents, a greater number of trained individuals in the population and a financial incentive to seek secure firearms storage, and, above all, make firearms training "cool". Firearms competency is a win-win-win and something we should all support.

Disclaimer: this proposal is solely the opinion of the author and does not represent an official accepted position of the Indiana State Rifle and Pistol Association or any other organization.

Our goal remains to rebuild attendance at the greatest shooting venue in Indiana, leading up to the

2-day Across-The-Course State Championship. All matches will be shot on Silver Mountain Targets, so no

pit duty. Matches will be done early, so we will have opportunities to do extra fun shooting events on Saturday afternoons. We will have cookouts on Saturday afternoons to help reduce the weekend cost to competitors.

Indiana Junior Competitors can apply for some limited financial assistance from our Junior High Power funds. Contact Dave Schnelle for details. As always, junior competitors shoot free at all ISRPA matches.

Apr 22-23, 80 round RMC both days, Apr 29-30, 80 round RMC both days. Jun 10-11, Dual EIC, preceded by a quick squadded practice. Aug 26-27, 80 round RMC both days. Sept 16-17, 2-day Across-The-Course State Championship.

As a side note, the main gate at Camp Atterbury is now open, after being under construction for over a year.

Winner Winner Chicken Dinner

By Diane Rice, Director NE

Each year, The X Count has done several raffles. This year, through the generosity of Larry and Brenda Potterfield of the MidwayUSA Foundation, The X Count was able to host a major raffle where 100% of the proceeds were able to be put towards the direct costs of the athletes training and competitions.

At \$20 each, the athletes were able to sell as many tickets as they wanted. All of the proceeds of their sales paid for their training, competitions, and travel expenses. Some athletes even covered an entire year's worth of training, competition, and travel.

The raffle sold nearly 1,000 tickets. The grand prize was a package that included the Browning BT99 with the red, white, and blue stock, the Browning Buckmark Vision Plus Americana, the Big Frig Cooler in Patriotic Cammo, and a \$250 gift card from Reed's Sporting Goods. This very patriotic raffle ran from

Memorial Day until 9/11 covering all those holidays that bring out our patriotic spirit. The winners were a local couple, Megan and Josh Gremaux. They, of course, were thrilled with the win.

Fort Wayne Rifle & Revolver Club Junior Banquet

By Coach Larry Beardsley

The juniors of the FWRR closed out the 2022 High Power season with a pizza banquet on December 12th. “Old” shooters Mia, Addiysn, Marshall and Kileen were presented award plaques commemorating their 2022 accomplishments and “New” shooter Tayt joined us for the celebration. The coveted (or dreaded?) Silver Sensor award was also presented by Coach Larry Beardsley. The FWRR Juniors want to thank the ISRPA and the Indiana Youth Shooting Sports Foundation for all of their support during the 2022 season.

PIOTROWSKI WINS SMALLBORE PRONE STATE CHAMPIONSHIP

*By Cameron Zwart, Head Coach, Rifle & Pistol Club,
Grand Valley State University*

BRISTOL — Cool temperatures and the occasional wind gust greeted 15 sling shooters who competed in the Indiana State Rifle & Pistol Association Outdoor Smallbore Prone State Championships at the Chief Wa-Ke'-De Range on October 8. The individual match consisted of 160 total shots fired in the prone match at various distances. The Indiana resident with the highest aggregate score is declared the State Champion.

The 50-yard match saw five shooters fire perfect scores of 400: Tony Brandon (Alexandria), Whitney Everest (Goshen), Jamie Piotrowski (Fishers), Baron Whateley (Fort Wayne), and Bob Winding (South Bend). Whateley, a grand senior, shooting an Anschutz rifle, bested them all by shooting 32 center shots...Piotrowski was close behind with 30...Everest was third with 29. In the 50-meter match, Piotrowski and Brian Lewis (Fishers) each shot a 399, with the taller Piotrowski towering over Lewis 30 – 21. Cameron Zwart (Comstock Park, Michigan) was third was a 398-31. Zwart edged out Piotrowski in the Dewar match (20 shots at 50 yards, 20 shots at 100 yards) by two center shots, 32-30, with both shooting a 399. Dan Weigel (Elkhart) rounded out

the top three with a score of 398-26. The championship concluded with the 100-yard course. Zwart shot a 399-19 for first...Lewis was second at 396-22...Piotrowski shot a 396-20 for third.

When it was all over, Piotrowski earned his second consecutive smallbore state championship. He posted a score of 1594-110. Zwart was the overall match winner, 1595-116. Lewis finished third, with a score of 1590-99. Lewis was also the top shooter in the senior category. Whateley, the 2000 state champion, was tops in the grand senior category and sixth overall. The top junior competitor was Madelyn Schnelle (Crawfordsville).

There were three entries in the F-Class State Championship. Keith "Doc" Adams (Monticello) swept all matches to finish with a 1575-90. Pamela Richard (Decatur) was the top female entry with a 1404-21.
