Constitutional Carry became law in Indiana on July 1

To mark this occasion the Indiana State Rifle and Pistol Association hosted a reception at Tyndall Armory in Indianapolis on June 18th.

Our Guest speaker was ISRPA President Charlie Hiltunen (L) who thanked all of the Legislative leaders and constituents (that wrote letters) that made this possible.

We became the 24th state to enact this law, joining Alabama, Ohio and Georgia this year.

Sue Mogle tells more about this event and thanks our sponsors on pages 6-7.

President's Column

I hope that everyone is having an enjoyable and safe summer. As I reflect upon the relaxed days of fishing in a cool stream, napping in the hammock, and playing hooky for a day of sporting clays with the kids, I have to admit that I am enjoying all of the excitement and non-stop activities of the ISRPA.

As I write this article, our work on Constitutional Carry comes to fruition, as it becomes the law of the land July 1st...It coincides with the new Supreme Court ruling, New York State Rifle & Pistol Association v. Bruen...this has been a **BIG** year for protecting our Constitutional Rights. Both landmark achievements demonstrate the incredible importance of State Associations working hand-in-hand with our National Organization, the NRA, to fight the never-ending battle to keep freedom more than just an American dream. With victories at the State and Supreme Court levels, we still find ourselves under attack on many other battlefronts. Within hours of the ruling from the High Court, Congress acted with lightning (and reckless) speed with a knee-jerk reaction to the heinous event in Uvalde, Texas. Lightning speed is an understatement. I spoke with Senator Todd Young before the vote on the "Safer Communities Act" and I believe that he was sincere in his approach to pass legislation that was not misguided by nonsensical gun control measures, *however*, the legislation set a **very dangerous** precedent by totally

circumventing the legislative process. There was *no* opportunity to read and provide meaningful input into the process. The legislation, as passed, would have been a great **starting point** for working together on an effort to address the root causes of violence and having a truly comprehensive, unified, & proactive approach. Because the Bill moved so fast and with little or no meaningful input from the public or experts in the field, there are many hidden issues that could have been tweaked to make it a good piece of legislation. I have been involved and engaged in the legislative process for over forty years and truly understand why the Founding Fathers instituted hurdles to legislation that are in place to protect our liberty...with this four day precedent, I fear the floodgates may be opened to very bad and not well-thought-through legislation.

This is why the upcoming elections may be one of the most important in our history!!! On its face, the bill will provide \$750 million to states to enact and support red flag laws and other crisis intervention programs, \$250 million in funding for community violence intervention efforts, at least \$2.35 billion for schools, and more than \$1 billion in funding for mental health programs. It would also stiffen penalties for and create a federal statute that specifically covers interstate gun trafficking and straw purchasing. Although we support efforts to keep firearms out of the hands of the "bad guys" (and to enforce the laws we already have on the books), there are many hidden traps in the Bill. One example, the legislation supposedly addresses due process with regard to incentivizing States to pass Red Flag laws, but we believe that the language is half-baked and could still allow States to ignore the vital protections granted through an individual's Constitutional Rights.

We worked tirelessly to make sure that our Indiana law contained Constitutional safeguards, but other states have bastardized the intent of the law to turn it against law-abiding citizens. Funding mechanisms within the Bill may be used to stifle and circumvent our protections under the law. There are also other "landmines" hidden in the new law (that could have been easily addressed, if the bill was not rammed without regard to the process), so we will have to be vigilant as programs are implemented. We will have to work with Senator Young and other State and Congressional leaders to make sure that the

ISRPA Hosted Constitutional Carry Reception June 18

By Sue Mogle, Exec. VP

Indiana became the 24th Constitutional Carry state, a law that goes into effect on July 1 2022. It was a long time and a lot of hard work by many 2A heroes. ISRPA honored the hard work and dedication of Indiana 2A patriots with a Constitutional Carry Reception at Tyndall Armory in Downtown Indianapolis on June 18.

Tyndall Armory is a beautiful venue to host a large crowd with many activities! Despite concerns for recent events and gorgeous weather (too good for an indoor event), we had a good turnout to enjoy the outstanding live band from Chicago, **Southern Draw**. Guaranteed to make you move! Attendees could enjoy the band, browse the vendors, make their choices for the drawings, challenge their skills at the Laser Range provided by Top Shot Laser Range (Indianapolis), taste bourbon and spirits from Hard Truth distillery, and enjoy hors d'oeuvres while listening to Guy Relford *The Gun Guy* broadcasting **LIVE** from the venue.

LEGISLATIVE REPORT

By Bill Dowden, Legislative Director

The majority of Justices of the U. S. Supreme Court, led by Justice Clarence Thomas and Justice Samuel Alito, vindicated the Indiana State Rifle and Pistol Association's testimony before lawmakers for many years that the Constitution protects the inherent right of citizens to keep and bear arms against infringement of that right by government.

Thankfully, Indiana has had General Assembly members over the years that fought to pass legislation maximizing that right for Hoosiers.

However, as evidenced by the passage in June of the so-called "Safer Communities Act," the Democrat leadership in the U.S. Senate and House, while thanking the Republicans who supported the compromise, publicly stated that this was just one-step toward their goal of stricter control of gun owners. The anti-2nd Amendment foes in America are very well funded and organized and they will continue the attacks in city halls, statehouses, Congress, and the media throughout the country. One of their arguments for some people will be that in the 1780s, there were no AR 15s and no large magazines; what they do not seem to realize is that when free Englishmen were assured of their right to arms, it was basically the right of freemen to have the ever-improving instruments of self-defense.

To quote Joe Biden in his recent attack on the Supreme Court for upholding the Constitution, "Vote...Vote...Vote...**VOTE!**" In this extremely important midterm election, Hoosier gun owners need to support and *vote* for candidates who will uphold the Constitution as it was written.

Remember Thomas Jefferson's words. "*No free man shall ever be debarred the use of arms.*"

(President's Column cont. from page 3)

legislation truly focuses upon the root causes of violence and is not leveraged against us. We are already working on the 2023 legislative agenda and will keep you posted...**we will need your support and engagement!**

Don't Miss Any of Our Great Events!

There will be many opportunities to share fellowship in the shooting sports this summer; we just had a great time at the celebration of our Constitutional freedoms June 18th at Tyndall Armory; awesome music, food, libations (thanks Hard Truth & Big Woods/Quaff On!!!). Ben Smaltz, Senators Jim Tomes and Blake Doriot, Representatives Jim Lucas, Jerry Torr, Peggy Mayfield and Michelle Davis, Special thanks were given to Senate President ProTem, Rod Bray, and Speaker of the House, Todd Huston, for their leadership. The Gun Guy, Guy Relford, hosted a live broadcast of his show from the venue. **July 11th, National Matches First Shot Ceremony**, featuring our First Lady, Janet Holcomb, along with NRA First Vice President, Willes Lee, NRA Second Vice President, David Coy, and several other members of the NRA Board of Directors.

July 30th, National Matches Celebration, With music featuring Lucas Hoge, Great American Barbeque, NRA Competitions, and fun family activities.

August 3rd, Camp Atterbury and the NRA National Matches will host the Pershing Trophy International Team Match Of Note: A living legend will coach the United States Pershing Team this summer during the 2022 NRA National Matches at Camp Atterbury. Retired U.S. Army Colonel Bruce Meredith, age 85, will lead the 2022 U.S. Pershing Team. National Match schedule at: <https://competitions.nra.org/media/8544/2022-nra-national-match-calendar.pdf>

There is so much more to report on our activities and progress, but I especially want to thank all of our members for their support during the NRA Board of Directors Election. I was humbled to be *nominated* and honored to be *elected* to represent our members. I am especially humbled to serve with incredible board members, including our own Hoosiers, Johnny Nugent and Jim Tomes. I have a lot to learn, but I hope to serve and represent you to the absolute best of my ability.

First USCCA/ISRPA partnership class at the WA KE' DE Outdoor Range Bristol

By Sue Mogle, Exec.VP

The St. Joe's Valley Rifle and Pistol Club hosted the first USCCA/ISRPA partnership class at the WA KE' DE Outdoor Range located in Bristol, on Saturday June 11. The USCCA's Concealed Carry and Home Defense Fundamentals was a full day of training with Instructor Mark Townsend from Freedom Focus LLC in West Lafayette. The material taught in the Concealed Carry and Home Defense Fundamentals course included great information about home security, marksmanship fundamentals, firearms basics (handguns, shotguns and AR-15s), conflict avoidance and situational awareness, the physiology of violent encounters, the legal aspects of using deadly force, and what to expect in the aftermath of a self-defense or home-defense incident and much more.

Mark took the training to the next level by utilizing his Laser Shot Firearms simulator for the range time on the course. This was an amazing experience for the students, giving them a different perspective of self-defense and home defense scenarios. After the classroom portion of the CCHDF training, each student had the opportunity to

shoot numerous different scenarios in the simulator. Everything from a home invasion/burglary to involvement in a violent encounter on the street can be practiced with the simulator, safely *and* saving money on ammo.

Mark and the students had great thought provoking discussions throughout the training culminating into an unforgettable virtual range experience. The firearms simulator training is a great training resource and we urge you to search out USCCA instructors, like Mark Townsend, for education and training to be better prepared for home and self-defense real world encounters. The students left the class with higher level of knowledge, understanding and confidence to help protect themselves and their loved ones.

ISRPA members enjoyed a \$25 discount on class registration. This was the first class offered as a USCCA/ISRPA partnership, but more are being planned around Indiana. Watch the ISRPA website www.isrpa.org or Indiana Responsible Gun Owners www.myIRGO.com for dates, times and locations. See the full calendar of class offerings at <https://myirgo.com/events/>.

Please let us know if you would like to bring one of these classes to YOUR range or club!

**Indiana Junior State High Power
Championship**
Fort Wayne Rifle and Revolver Club
By Larry Beardsley

Just another reminder, the Second Annual Indiana Junior State High Power Championship will be shot at the FWRR on Saturday, July 16th. It will be a 50-round National Match Course Tournament; it is an NRA Registered Tournament and National Records can be set.

We will shoot the match starting at 9:00 AM in the morning, followed by free lunch for the juniors (parents, sponsors and coaches eat for \$10). After lunch we will shoot a fun match – the format will be a surprise. We have received a lot of nice swag from our sponsors and there will be awards for winners of the individual matches as well as awards for Classification winners.

It is requested that entrants register as early as possible to make relay assignments easier on our Stat Office. Parents, Coaches and Sponsors are invited to shoot as well – we are holding this match concurrently with our FWRR July 50/80 Match – so

“old folks” are invited to bring your gear and shoot along with the juniors.

Fort Wayne Rifle and Revolver Mid-Summer Madness Tournament

By Larry Beardsley

The FWR&R club held the second annual Mid-Summer Madness Tournament on the weekend of June 17th - 19th. The tournament included a 50-round National Match, an 80-round Regional Match, a 3 x 20 Mid-Range match and an M1A match.

Unlike last year, when the weather was brutally punishing – this year brought some of the best shooting weather in memory; very moderate temperatures, low humidity and enough wind to keep folks comfortable, but not so much as to keep shooters chasing wind shifts and values throughout the matches. One shooter commented; “We probably need to cancel this match because of weather; you can’t have a high power match unless you’re freezing, boiling or soaking wet ... this is just too nice”.

The results of the Friday afternoon National Match Course were:

Mark Richard	490-19
Geoff Branson	488-22
Mark Walters	486-11
Emma Branson	477-14 (Junior Girl)

Saturday was a beautiful day to shoot – about 59-degrees at first shot and only about 80-degrees by the time we finished. The Regional Match Course results were:

Mike King	785-27
Mark Richard	784-24
Mark Walters	771-28

Sunday closed out the weekend with yet another beautiful day...55-degrees at first shot and no wind. The Mid-range tournament consisted of three 20-round matches, one of which could be shot with iron sights. This match saw some fantastic shooting with the top five competitors separated by only 5-points:

Geoff Branson	599-36	(Yes, he actually only dropped ONE point).
Ron Dague	596-29	(Creedmoored Mark Walters)
Mark Walters	596-23	
Mike King	595-29	
Emma Branson	594-26	(Junior Girl)

After the Regional Match, the weekend closed out with the Mike Gingher Memorial M1A match where five shooters vied for the top aggregate score for the

weekend tournament. This is a match honoring Mike Gingher, a long time FWRR member and a very prominent figure in the High Power shooting sport. He was an armorer for the USMC Reserve National Team, a Director of the GCA, and an initiator of the John C. Garand Matches through his early affiliation with the CMP and a fixture at Camp Perry National Matches as a Coach and armorer.

The M1A Match results were:

Mark Walters	363-1X
Mark Richard	2201-72X
Ron Dague	2119-47X

The Overall results for the Mid-Summer Madness weekend were:

First Aggregate:	Mark Walters	2216-35
Second Aggregate:	Mark Richard	2201-72
Third Aggregate	Ron Dague	2119-47
High Jr. Aggregate:	Kileen Shaffer	1703-32
High Junior Match:	Emma Branson	594-26

(Mid-Range)

This match was held on Father’s Day weekend and Sunday, June 19 – the final day of the match was Father’s Day. It is fitting that we recognize that we had three generations of one family shooting the tournament together that weekend. The patriarch of the family is Grandpa John Halter, his son-in-law Geoff Branson and granddaughter Emma Branson.

Pictured above are three generations of FWRR shooters (L-R) Geoff Branson, Emma Branson and John Halter.

First Annual Indiana 4-H State Shooting Sports Match

By Bill Jordan and Dave Osborne

On May 14, 26 Indiana 4-H youth participated in the first annual air rifle, air pistol, 22 rifle, 22 pistol, or archery competition at the National Muzzleloader facility in Friendship, Indiana and on May 21, 37 4-H youth competed in trap, skeet and sporting clays at the Indiana Gun Club in Fishers. The matches were modeled on the national 4-H shooting sports match program. Participant ranged from those with moderate experience to those with who seemed to appreciate a little extra help.

At right, Jerry Wehner Director - SE and 4-H pistol instructor, prepares to give commands to a 4-H competitor.

Among those qualifying for the national competition, the Huntington shotgun team and Ripley County air pistol shooter Garrett Cornett were able to travel to Grand Island Nebraska to compete in the National 4-H Shooting Sports Competition.

The support of the Indiana Youth Shooting Sports Foundation, The National Muzzle Loaders Rifle Association, the NRA Foundation, Purdue University Ripley County Extension, Laughery Valley Ag, ISRPA and the many volunteers from various parts of the state were much appreciated in this successful beginning to an annual opportunity for Indiana youth.

As we expand these matches, we look forward to ideas and support from individuals, clubs and organizations from throughout Indiana. Watch for notices on planning meetings from Extension Educators and on the ISRPA website. If you are interested in helping to organize these events, please contact Dave Osborne at OsbornDA@Purdue.edu. Bill Jordan (wjordan@ISRPA.org) would also be delighted to discuss details.
