President's Column

As we head into fall, I can look back and be proud of all the accomplishments of the ISRPA. Now that we have opened up the throttle, there is no slowing down! We started the year with an incredible victory at the State House with the passage of Constitutional Carry and had one heck of a party to celebrate. We then went into the National Matches and incorporated true Hoosier Hospitality, as we entertained and fed the best shooters from all over, including the British Pershing Team. Over 100+ years of traditions were carried on at Camp Atterbury and I could not have been prouder of our Association. During these key events and initiatives, ISRPA started developing open Houses for Members and collaborated to offer training opportunities. We are now working to duplicate these efforts around the State.

With our Fall Meeting coming up on November 5th, we are preparing for a **Huge 2023!** We will have a robust legislative agenda, including targeting the cancel culture and the banks and insurance companies that have aided their efforts to exclude those that exercise their constitutionally guaranteed Rights. In April, we will be the host State for the 2023 NRA Annual Convention, which promises to be bigger and more exciting than ever. We will roll right into National Matches in July & August, but will have an **unbelievable** announcement soon for a **World-Class Event** coming to Indiana in September.

With all of these awesome events and activities, there is also peril; I just returned from the NRA Board Meeting and quickly understood the absolute siege the Second Amendment, NRA, & ISRPA are currently under by the current Administration, out-of-control unconstitutional government actions by Blue-State Attorney Generals, and a **hostile** Administration that has weaponized Government Agencies to quench our freedoms. David Coy, Second Vice President of the NRA and Chairman of the NRA Finance Committee, gave an incredible report that I thought I would share with you. It is an insider's view of the State of the Second Amendment - the health and stability of the NRA and State Organizations, like the ISRPA are the lifeblood of maintaining freedom and the securitization of our rights.

From David Coy:

Chairman's Comments :

We have all heard the term "Watershed Moment". One definition of this phrase is; "An event marking a unique or important historical change of course or one upon which important developments depend."

In the opinion of the Chair – just one person's opinion to be sure – the year 2022 is such a moment for the NRA.

Please consider a few of the changes and accomplishments of the past four plus years that have led to this moment: Virtually all of NRA's business processes and procedures have been reviewed and, as appropriate, upgraded.

Relationships with all of NRA's contractors and vendors have been reviewed and, where appropriate, adjusted or, in certain cases, relationships have been terminated.

A culture of compliance is now enshrined at NRA, and that compliance is and must be foremost in everyone's minds at all times.

These accomplishments have given us a much better understanding of the numerous, diverse and multifaceted things and activities in which NRA engages on a daily basis. And they are also testimony to the resourcefulness of all of NRA's talented workforce.

It must be remembered that NRA's involvement was a deciding factor in the election of President Trump. This fact triggered a relentless assault against the NRA and all that we stand for.

**Indiana
Convention Center
April 16 - Youth Day
Presented by ISRPA**

And let's not forget COVID and its impact on the NRA's operations and our members and our business partners. Despite these things, we have resolutely and successfully soldiered on.

We have weathered and continue to survive and deflect a politically motivated blizzard of attacks from multiple sources designed to weaken and destroy the NRA, to clear the way for those "in the shadows" to pursue their personal designs for some sort of "mob rule" to supplant our Constitutional Republic. Of course, the most prominent of these attacks is the abusive taxpayer-funded effort of NYAG Leticia James to have the NRA dissolved. While other aspects of her complaint against the NRA remain, dissolution - the centerpiece of her complaint - was dismissed; a significant defeat for the spearhead of this effort.

The ruling in NYSR&PA vs. Bruen is an epic achievement in the ongoing saga of the NRA's relentless defense of the Second Amendment and our individual right to keep and bear the private arms of our personal choice. There are an additional 24 court cases at all levels with which NRA-ILA is engaged and Civil Rights Defense Fund cases represent additional pro-gun advocacy in the courts.

There are a number of other things I could mention, but I trust this recap gives you some sense of how well we have done in the face of tremendous adversity. Our successful navigation of these adversities has come with some very significant costs. But there are also some very, very significant expense reductions, which are very favorable to the NRA. To the extent that these costs are tangible, they are reflected in financial statements we will be reviewing today, or will be reflected in future financial statements.

These specific things will be identified as we review the August financial statements. But here is the big picture of the situation: We have incurred a large one-time expense to settle a legal matter earlier this year. This litigation is now behind us.

Contracts we have terminated or renegotiated have reduced expenses, favorably affecting future cash flows and improving our operational surplus.

Digital fundraising is coming on-line for NRA beginning next week.

All insurance renewals are complete. The aggregate cost for the 2022-2023 policy terms is stable and consistent with the 2021-2022 policy terms.

Our investment policy is working and we are riding out the current stock market volatility as well as can be

expected. We are well positioned to benefit when the market begins its recovery.

In spite of inflation, the stock market decline, the Russia-Ukraine conflict and other global instability, and the effect of all these things on our members, NRA's most recent mailer did well.

In summary, good things happen when you work hard, do your best to do the right things, have the courage and fortitude to make difficult but necessary choices, accept responsibility and never deviate from the principled path. We have done all of these things, thereby creating the watershed moment I alluded to at the start of my remarks. In my opinion, NRA No. 1, Mark 2 is operational and deployed. And it will be a success.

Only time will tell, but I firmly believe that, similar to the Knight on horseback in the Edgar Allen Poe poem *Eldorado*, the NRA has successfully traveled "over the mountains of the moon, down the valley of the shadow". We must continue to "ride, boldly ride". Improved financial performance – an Eldorado of sorts – will be a reality.

Charlie Hiltunen,
President, ISRPA
NRA Director

2022 Musket & Ball Postal Match

The CMP is giving CMP affiliated clubs the opportunity to notify surrounding area clubs about their upcoming CMP Sanctioned Matches.

The Daniel Boone High School MCJROTC is holding a 2022 Musket & Ball Postal Match starting on 09/05/22 and ending 01/12/2023. For more information you may contact the match director: MGySgt John Daniels Jr at mgysgtdaniels@gmail.com. Please post this information for all your club members to see. Thank you for helping make the 2022 Musket & Ball Postal Match a success. For information on holding your own CMP affiliated match please check out the CMP Competitions Webpage

at <http://thecmp.org/competitions/>.

Vicki Donoho

Civilian Marksmanship Program

ISRPA High Power Rifle State Championship Series

By Dave Schnelle, Co-VP High Power

Across the Course High Power is traditionally shot over 200 to 600 yards. However, not many ranges can accommodate 600-yard competition, so “reduced course” competitions with visually reduced targets for High Power at 100 to 300 yards are offered throughout the US. The ISRPA High Power State Championship Series consists of three State Championships for Across the Course High Power Rifle: 100 Yard Reduced Course, 300 Yard Reduced course, and the Full Course 600 Yard State Championship. We recognize the winner of the aggregate scores from all three as well as a Junior Champion. In 2022, we had a total of 34 shooters that participated in the three matches. Although the State Champion must be a resident of the state, winners of each match are also recognized for the match regardless of residence, extending the competition to neighboring states. The ISRPA State Championship Series consistently draws competitors from surrounding states including Illinois, Ohio, and Kentucky.

ISRPA 300 Yard Reduced Course State Championship Wildcat Valley R& P Club, 27-Aug

(L-R) are Dave Schnelle - CMP Bronze, Madelyn

Schnelle - CMP Gold & 300 Yard State Champion, Mark Richard - CMP Silver, Mike Habel - 1st Expert, Marshall Rohrbach - High Junior.

The first in the 2022 series was the 300 Reduced Course on August 27, hosted by Wildcat Valley R & P Club. The day started out as a textbook perfect day for a High Power rifle match. Weather was sunny and not too hot, with 25 shooters from across the state, and two from Illinois. Indiana Juniors were well represented, with five attending this match.

Competition was strong throughout the match. At the final stage (600 yard simulated slow fire) Madelyn Schnelle, a 15 year old junior from Crawfordsville dominated the string with a 200-11, and ended with a total score of 791-31 out of a possible 800 to win the match and the 300 yard State Championship. Mark Richard was second with 779-29, and Dave Schnelle was third with 777-33.

ISRPA 100 Yard Reduced Course State Championship Fall Creek Valley Conservation Club, 10-Sep

The 100 Yard Reduced Course was shot on September 10, hosted by Fall Creek Valley Conservation Club. Another great day was on hand with temperatures in the low 80's and sunny. Madelyn Schnelle was back to try to defeat last year's winner Mike King of Fort Wayne. The competition was close but Mike prevailed as 100 yard State Champion to defend his title with a 786-20X out of a possible 800. Madelyn Schnelle took 2nd place and 1st Service Rifle with a 785-24X, and Andrew Beaver took 3rd place and 2nd service rifle with a 773-21X.

(L-R) are Andrew Beaver, 2nd Service Rifle, Mike King, State Champion, Madelyn Schnelle 1st Service Rifle.

ISRPA 600 Yard Full Course, 2-Day State Championship Camp Atterbury, September 17-18

Last in the Championship Series was the 600-yard Full Course Match held at Camp Atterbury on September 17 & 18. The beautiful weather at the Indiana State Championship Series continued, with low humidity, plenty of sunshine, and highs in the mid 80s for the 2-day championship. Day one is the Indiana Governor's Cup match: top five competitors from the Governor's Cup Match receive the Governor's Cup Patch, year tab, and personal letter of congratulations. Congratulations to Madelyn Schnelle, Mark Richard, Mike King, Jeannie Redicker, and Dave Schnelle for making the cut for the 2022 Governor's Cup.

(L-R) Mark Richard - Silver Medal, Mike King - Bronze, Madelyn Schnelle – Gold & winner of the Dan Ireland Championship Trophy, the Peter Faatz Memorial Junior Trophy, and the Championship Series Grand Aggregate Trophy, Jeannie Redicker, Dave Schnelle.

Match Winner		
& Gold	Madelyn Schnelle	1569-52
Silver	Mark Richard	1561-49
Bronze	Mike King	1560-46
1 st EX	Jeannie Redicker	1552-53
5 th GC	Dave Schnelle	1547-47
1 st Junior	Emma Branson	1501-28

The Full Course State Championship is the Aggregate of both days' matches. Madelyn Schnelle took top honors with a 1569-52, out of a possible 1600, securing the State Championship, winning the Peter Faatz Memorial trophy for top junior, and the CMP Gold Medal. Mark Richard was second overall with a 1561-49 for CMP Silver Medal and 1st Master Match Rifle. Mike King finished third overall with a 1560-46 for CMP Bronze Medal and 1st Master Service Rifle.

Special recognition goes to Emma Branson, another female Junior shooter...shooting some of her best scores of the year right at the Master threshold, with a total of 1501-28. In addition, special recognition goes to her Dad, Geoff Branson for "King of the Xs", with a total of 57, the most of any competitor!

Grand Aggregate Trophy Camp Atterbury September 18

The ISRPA Grand Aggregate Trophy recognizes the High Shooter of the aggregate of the 100, 300 and 600 yard High Power State Championships.

Madelyn Schnelle won the total Grand Aggregate Trophy with a score of 3145-107 out of a possible 3200 points. Below are the scores of the top six shooters.

Indiana Aggregate

State Champion	Madelyn Schnelle	3145-107
2 nd	Mark Richard	3112-095
3 rd	Dave Schnelle	3091-106
4 th	Mike King	3084-088
5 th	Rob MacWilliams	3021-077
6 th	Pete Yarbrow	2998-060

High Power encompasses many shooting opportunities. ISRPA also hosts a Junior State Championship sponsored by Fort Wayne Rifle and Revolver for Indiana Junior shooters. ISRPA also holds an Indiana/Kentucky M1 Garand State Championship hosted by Southern Indiana Rifle and Pistol Association. The 2022 Garand State Championship was held on October 1.

Thanks to all that supported the Championship Matches; Fall Creek Valley Conservation Club and Wildcat Valley Rifle & Pistol Club for hosting one of the matches, Ft. Wayne Rifle & Revolver for hosting the Junior State Championship. Special thanks to **Silver Mountain Targets** for the electronic targets used at three of the four matches. Thanks to Sue Mogle and others at ISRPA for the support of High Power Rifle in Indiana. Last but not least, thanks to the parents and supporting adults that brought out the juniors to shoot! We have 20+ active junior High Power shooters, and the program is growing. If you know of a junior that would like to participate, contact one of the High Power Chairs at a local range for more info, or contact Dave Schnelle or Bob Winding, ISRPA Co-VPs of High Power.

Indiana Junior Shooters Attend Camp Perry High Power Clinics

By Larry Beardsley

The Junior High Power Shooters of Indiana were well represented at the USMC Advanced Firing School and the USAMU Small Arms Firing School at the Camp Perry National Matches. FWRR Juniors, in purple and green T-shirts attended the Small Arms Firing School and other Indiana Juniors, primarily from Wildcat Valley, in the red sweatshirts, attended the advanced USMC class.

Indiana Juniors at Camp Perry

FWRR Junior Coach Larry Beardsley (R) congratulates Marshall Rohrbach on his EIC Point Award.

FWRR Junior Marshall Rohrbach, shooting in his first match at Camp Perry finished 17th of 267 competitors with a score of 376-6. By finishing in the top 10% of the competitors in this special EIC Match, Marshall earned 4 Distinguished Rifleman Leg Points. Way to go Marshall!

Just add water...instant fun...but lest you think it was all serious time in classrooms and on the firing ranges, the juniors still had time to check out the other attractions around Port Clinton.

Pershing Trophy International Team Match

*Submitted by Cameron Zwart
Head Coach, Rifle & Pistol Club
Grand Valley State University*

The following was written by Jamie Piotrowski (Fishers) reflecting on making the US Pershing Team during the 2022 NRA Smallbore National Championships, fired at Camp Atterbury.

As many of you know, my passion is competitive marksmanship. This year my goal was to earn a spot on the US Pershing Team and I am happy to say that I accomplished my goal!

The Pershing Match is a smallbore prone match that occurs every 8 years between teams representing the US and Great Britain. Both teams shoot the match at the same time and on the same range. This match occurs in the US using US targets but equipment legal under British rules. The brother match is called the Robert's Match. It typically occurs midway between Pershing Matches and is fired in Britain using international targets. Spots on either team are coveted and a major accomplishment.

The US selection process required me to first make the US Dewar Team by being within the top 20 shooters during the metallic sight phase of the 2022 NRA Conventional Smallbore Prone National Matches (I was 12th). Then my aggregate score from the Dewar and Prone Nationals had to be within the top 10 (I was 9th, with special thanks to my Dewar wind coach and tension-reliever, Cameron Zwart). Of the 10 firing members, seven had accomplishments ranging from being an Olympic athlete, to World Champion, NRA, CMP, and/or ASSA National champion, to being a member of an NCAA National Championship team, to being an NCAA All-American...truly an elite group.

After the Dewar match, the Pershing team was announced, and I received an invitation from the British Team to a formal banquet they hosted. The evening was full of fun and insightful discussions. One of the discussions involved goals and kicked-off some serious introspection, which I believe, will help me to the next level. At one point during the evening of celebration, each member of the GB Team gave a corresponding US Team member a very nice memento/plaque.

The firing of the match was a special experience. The day started with a cannon shot prior to both countries'

national anthem. The smoke from the cannon drifted past with near perfect synchronization to the Star-Spangled Banner. Then we hung 100-yard targets and got to it. During the 3-minute preparation period, I did my best to settle down and establish a proper natural-point-of-aim. My typical 3/4 X-ring hold was every bit of the 10 ring (about 2-3 times bigger than normal!) due to the adrenalin. This was by far the most match pressure I have ever experienced. On top of this, my trigger failed exactly at the end of the prep' period. Luckily, I

was able to fire a warm-up shot with it and it continued to work throughout the match. Between listening to wind calls from Olympian and team coach, Mr. Bruce Meredith, I focused hard on executing my shot cycle to block-out distractions and keep my shots in the 10 and X rings. Still, I managed to skip a step in my shot process once at the 100 yard to drop a point. Next came the 50-yard stage where I shot well except for one shot that dropped a second point. When both the shooters Bruce was coaching were complete (Stephen Angeli and I), he congratulated us and offered some constructive criticism. Then it was a long wait until the targets were scored and the US team declared the winner by 2 points on a 4,000-point basis. Very close.

LEGISLATIVE REPORT

By Bill Dowden, Legislative Director

The anti-2nd Amendment leaders never give up in their quest to deny lawful Americans their inherent – not government-given – right to keep and bear arms. Despite their assurance that they just want “reasonable laws and rules” to regulate

firearms, their end game is to take away the freedom of every American, except their bodyguards, to own and use firearms. In that attempt to control people's freedoms, they employ such terms as “gun control”, “assault rifle”, etc., to deceive even gun-owners.

To accomplish the goal of “disarmament” they need to know who owns firearms, but a national registry of firearms owners is banned. The background check required by Federal law when purchasing a firearm from a federal firearms licensee overcomes that ban to some extent, but lawmakers on behalf of law-abiding gun owners have so far resisted the universal background check. Now the “anti's” have come up with another plan. Since most people now use “credit cards” to simplify and speed up a transaction, and each purchase is listed in a Merchant Category Code, such as “merchandise”, “home improvement”, “restaurants”, or “sporting goods”, etc., the purchase of a shotgun would be listed under the new category “Guns and Ammunition.”

Another issue, which pops up around the state from time to time, is a rule or ordinance infringing upon the 2nd Amendment. Thankfully, in 2011 Senator Jim Tomes (now an ISRPA and NRA board member) introduced a State Preemption bill, which prohibits municipal units of local government passing ordinances or rules regulating firearms. Despite strong resistance by towns and cities, professional sports, the media, et al, the bill was passed by the General Assembly and signed into law by then-Governor Mitch Daniels. Some units of local government still try to regulate firearms and seem unaware of the State law, and need to be reminded that such actions could cost significant amounts of taxpayer money if they are challenged.

The midterm election for state and federal lawmakers carries great importance for the future of Indiana and the Nation. Lawful Hoosier gun-owners need to know where the candidates will really stand on the individual's right to keep and bear arms if elected.

As we have often been reminded: Freedom Isn't Free. The question is: Are we willing to pay the price as the Founding Fathers and many did later?

2022 SSSF National Championships

By Jerry Watson, V-P IYSSF

This past July, over a ten-day period, the Scholastic Shooting Sports Foundation held their National Championships. The event was held at the Cardinal Shooting Center located near Marengo, Ohio. Over the 10-day period there were over 3500 youth participants, 2.5+ million rounds fired and 12+ loads of clay targets were thrown. The event was spectacular. Gun and range safety are always a top priority followed by sportsmanship and teamwork. Down time is filled by visiting one of the many vendor booths or enjoying time with friends and family. It is difficult to say just how large of an impact this sort of an event has towards growing the shooting sports and positively encouraging our Second Amendment rights!

For the first time this year, the **Indiana Youth Shooting Sports Foundation (IYSSF)** decided to organize and sponsor an “All Indiana Shrimp Boil”. We believe the camaraderie and friendships that are gained through the shooting sports is one of the greatest joys that can be passed on. All Indiana teams that attended the National event were invited to attend. We also invited many of our vendors and sponsors. IYSSF supplied the Shrimp Boil and the teams all brought something to share. SASP and SCTP teams from all around the state were in attendance. We also had staff and board Members from the **Midway USA Foundation, College coaches, Federal Ammunition Representatives**, and many others. The goal was simply for the Indiana Shooting sports families to share a meal and say thanks to those who help support us. That is exactly what happened!

The last note I would like to share with all of you is how proud we should be of the Indiana youth that are representing us. They are some of the safest, well-behaved, honorable, fun-loving young adults I have ever met. They are all tremendous competitors also. Of note, Matthew Lambert of the Laughery Valley Junior Shooters finished third in the nation in the Iron Sight rifle event. A big congratulations to Matthew and all the other youths that participated this year. Indiana has been blessed with some great young women and men for sure!

Haven Williams Conventional Prone Regional

*By Cameron Zwart, Head Coach, Rifle & Pistol
Club, Grand Valley State University*

BRISTOL - Six sling shooters convened upon the Chief Wa-Ke-De Range July 2-3 to shoot the Haven Williams Conventional Prone Regional hosted by the St. Joseph Valley Rifle & Pistol Association,

junior, was second at 1570-67. Loudy, the eldest of the senior competitors, was third at 1565-54.

Day two was fired with any sights, with all competitors opting to switch to scopes. The conditions were notably calmer than the day before. In the 50-yard match, two perfect scores belonged to both the senior competitors, Everest and Loudy. Everest finished on top, 31 – 27. In the 50-meter match, Dan Weigel (Elkhart) posted a 398-31. Pete Yarbrow (Mishawaka) was second, a point behind with a 397-27. In the Dewar match, Loudy found himself on top of the standings with a 398-22. Weigel was second at 396-20. The match concluded at 100-yards with Yarbrow leading the

sponsored by the American Smallbore Shooters Association. The match consisted of four 40-shot stages fired at various distances each day for 320 total shots.

The first day of the match was fired with iron sights. The 50-yard match saw scores of 399-20 fired by two shooters, Emma Bueschel (Joliet, Illinois) and **Whitney Everest (Above)** (Goshen). Bueschel, an intermediate junior, won the tiebreaker. In the 50-meter match, Everest posted a score of 394-18, edging out Stephen Loudy (Bartonville, Illinois), who shot a score of 392-17. Bueschel and Everest posted similar scores on the Dewar course as well. Both shot scores of 393, with Bueschel edging out Everest by one center shot, 21 - 20. In the 100-yard match, Everest again found victory with a 393-18. Bueschel was right behind with a 392-8. At the conclusion of day one, Everest was in the lead at 1579-76. Bueschel, the high

pack at 397-23, besting by one point. On the day, Weigel won the any sight match at 1589-108. Yarbrow was second at 1588-101.

At the conclusion of the weekend, Everest stood victorious with a 3161-181. Cameron Zwart (Comstock Park, Michigan) was second at 3146-155. Loudy finished third with 3145-145.

SAND PRAIRIE METRIC PRONE REGIONAL

*By Cameron Zwart, Head Coach, Rifle & Pistol Club,
Grand Valley State University*

BRISTOL – Seven sling shooters and a lone F-Class shooter gathered at Chief Wa-Ke-De Range August 27 - 28 to shoot the Sand Prairie Metric Prone Regional hosted by the St. Joseph Valley Rifle & Pistol Association, sponsored by the American Smallbore Shooters Association. The match consisted of four 40-shot stages each day fired at various distances for 320 total shots.

The first day of the match was fired with iron sights. The 50-meter match saw **Jamie Piotrowski (at right)** (Fishers) jump out to an early lead, shooting a 386-17. Cameron Zwart (Comstock Park, Michigan) was second at 385-17. In the Dewer match, Zwart edged out Stephen Loudy (Bartonville, Illinois), by five center shots, 378-14 to 378-9. Piotrowski separated himself in the 100-yard match, shooting a 389-16. Loudy was a distant second with 378-5. In the reverse Dewer match, Piotrowski again edged out Zwart, 385-17 to 384-15. At the conclusion of day one, Piotrowski was in the lead at 1536-62. Zwart was second at 1521-55. Loudy, the eldest of the senior competitors, was third at 1504-32.

Day two was fired with any sights, with all competitors opting to switch to scopes. The conditions were significantly improved from the day prior. In the 50-meter match, Baron Whatley (Fort Wayne) set the tone with a 393-19. Dan Weigel (Elkhart) was a near second, at 393-16. Zwart continued the trend of 393-21 to win the Dewer match. Piotrowski was second at 390-20. In the 100-yard match, Piotrowski and Zwart swapped places, 391-15 to 388-17, respectively. The match concluded with the reverse Dewer with Zwart leading the pack at 395-29, besting Piotrowski by six points and ten center shots. On the day, Zwart won the any sight match at 1564-89.

Piotrowski was second at 1560-71. Weigel, the competitor who lived closet to the range, finish third at 1540-51.

At the conclusion of the weekend, Piotrowski stood victorious with a 3096-133x. Zwart was second at 3085-144. Whatley, the lone dentist in the group, was third at 3015-85.

Keith “Doc” Adams (Monticello), an F-Class shooter, shot daily scores of 1569-104 and 1585-108 for a total of 3154-212.

Olympic Vision

By Diane Rice, Director NE

Since 2018, The X Count has been a Certified Training Center for USA Shooting. As in past years, 2022 saw appearances by US and international Olympians for various events hosted at The X Count. During Elite Camp this July, five-time Olympian from Serbia, Nemanja Mirosavljev, visited The X Count and worked with NCAA coaches to instruct some of the top juniors from around the nation.

This year, The X Count's Olympic vision was expanded to ISSF (International Shooting Sport Federation) events. The X Count staff attend two World Cups and a Grand Prix. In June, both Gregg and Diane Rice attended the ISSF World Cup in Chateauroux, France with Team USA. Coach Gregg Rice worked directly with the athletes. The X Count's executive director, Diane Rice, utilized the trip to collaborate with facilities representatives and an architect from the Fort Wayne design build firm, CME. CME was present as part of the exploration process for Indiana's own world cup facility. The site in France will likely be the location of the 2024 Paris

Olympic shooting events.

In August, The X Count staff was in opposite hemispheres on continents where they had never been. Diane attended the World Cup in Changwon, South Korea. Diane was loader and team lead as Team USA rifle shooter, Madison Champion, earned her minimum qualifying score for the world championships in November.

Meanwhile, Gregg was coaching with Team USA at the Grand Prix in Arequipa, Peru. Since France, Gregg had been working closely with rifle athlete Jazmin Almlie. Jazmin swept her disciplines at the Grand Prix in Peru bringing home three gold medals. Team USA brought home a total of 16 medals from the event.

The Olympic vision is international comradery. The X Count has brought people from all over the world to train, compete, and instruct to Indiana. As of this summer, The X Count staff has now taken the Midwest culture around the world to many continents and countries participating in friendly competition with athletes from around the world. Many of those athletes will someday come to Indiana to compete as Indiana continues its journey to become the shooting sports mecca for the US.

ISRPA Hosts Activities for Competitors at NRA National Championships Camp Atterbury *By Sue Mogle, Exec. V-P*

New for 2022, ISRPA presented a series of activities for competitors in each discipline. Beginning with the Opening Ceremonies, ISRPA joined NRA to celebrate **150 YEARS STRONG**. NRA was on site to support the Matches at the Opening Ceremonies - First Vice President Wiles Lee, 2nd Vice President David Coy and NRA Board member and ISRPA President Charlie Hiltunen oversaw the Ceremonies. Colors were presented by Alex Ridge with Benjamin Jones, Connor Horan and Mason Meadow of BSA Scout Troop 264, and Evie Smith and Anna Grills of Troop 2640. Adult leaders Matt Grills, Pat Horan, Cassie Meadows and Clarissa Jones also attended. Indiana First Lady Janet Holcomb delivered opening remarks prior to firing the “**First Shot**” to kick off the National Matches. High Power junior competitor Madelyn Schnelle provided her custom built competition rifle for the First Lady to use.

Competitors coming off the line hot and tired after

the first day of High Power competition were met with burgers and brats fresh off the grill, and Laser Range fun provided by **Top Shot Laser Range** in Indianapolis. This was the first of a series of food and fun for each discipline, arranged by ISRPA Board member Diane Rice of The X Count in Ft. Wayne.

The 2022 season culminated with the prestigious International Pershing Cup Smallbore Match, shot every 4 years alternating between the USA and Great Britain. ISRPA thanks **The X Count** of Ft. Wayne for arranging and overseeing the hospitality for the Match. The welcoming pizza and lasagna dinner continued well into the evening as we welcomed new friends to Indiana for the Match. **MidwayUSA Foundation**’s Jay McClatchey and Scott Reynolds were on site with NRA Vice President Wiles Lee and ISRPA President Charlie Hiltunen to greet our International guests with Great American BBQ and Lucas Hoge live in concert August 3.

The **2023 NRA National Matches calendar is posted** so make your plans **NOW!** With the success of this year’s events expect more offerings for 2023. Competitors, what did you particularly enjoy at this year’s matches? What would you like to see next?

CONTRIBUTIONS, GIFTS, OR MEMBERSHIP DUES MADE OR PAID TO THE NATIONAL RIFLE ASSOCIATION OF AMERICA ARE NOT REFUNDABLE OR TRANSFERABLE AND ARE NOT DEDUCTIBLE AS CHARITABLE CONTRIBUTIONS FOR FEDERAL INCOME TAX PURPOSES.

Membership starts the day of processing of dues payments by NRA. Three dollars and seventy-five cents of the annual membership fee is designated for magazine subscription. Insurance benefits are subject to the conditions contained in the Master Policy on file at NRA headquarters at the time a claim arises. There are special exclusions and limitations to such policy. Furthermore, NRA and the Insurers specifically reserve the right to alter or change any conditions in the Master Policy, including, but not limited to, reductions in the amount of coverage, and the cancellation or non-renewal of such policy. Annual Junior members are not eligible for insurance benefits. Affinity card available for applicants who meet all the credit criteria. The moving discount is off the Interstate Commerce Commission approved tariff rate. For specific state-by-state disclosures, please visit <http://www.nra.org/NRA-UniformDisclosureStatement.pdf>
