# President's Column

It is hard to believe that September has come and gone; Dove & Teal season was great and now we are warmed up for pheasant, duck, deer, & rabbit! However, that is for the weekends...during the week...

## WE NEED YOU!

We need every member to engage by participating in the election process, volunteer for the ISRPA, and recruit others to join in the fight! Please join us November 4th at Camp Atterbury for our Annual Meeting; go to [ISRPA.org](https://www.isrpa.org) for more information.

With the Fall season, we are also now in the heart of election season and this one will be critical for ISRPA and all Hoosiers concerned about the incursions upon our Second Amendment Rights. We are now seeing a progressive strategy to undermine our freedoms at the local level and then work their way up to the State House then to DC. The NRA, although under a relentless siege by the left, has been dauntless in their fight at the National level; so effective as to force the enemy (yep, I said it) to resort to a myriad of subversive local attacks. Therefore, it is vital, more than ever, that we support the ISRPA and other NRA-affiliated state associations in the fight on our home

turf. The NRA provides great support for State organizations, but they cannot thrive without the active participation of members within their states. It is incumbent upon all of our members to actively recruit and educate as many patriots as we can to join our efforts.

In Indiana, our freedoms, which many take for granted due to the successes we have enjoyed here, we are seeing efforts to undermine the fruits of our labor. After 22 years, the Gary lawsuit against gun shop owners and manufacturers is being leveraged to drive up insurance costs and risks associated with the firearms business in order to destroy the supply lines of freedom and keep lawful businesses from thriving here. The Mayors of Fort Wayne, Indianapolis, and Carmel have actively lobbied Congress for gun control; The Mayor of Indianapolis and Democrat City Council Members have passed a comprehensive and unconstitutional gun control ordinance in anticipation of their efforts to lobby the State Capitol. To add insult to injury, the Republican candidate for Indianapolis Mayor has proposed his own unconstitutional gun control platform, although he made pro 2<sup>nd</sup> Amendment commitments weeks prior to his announcement of his anti-2A plan. If he is elected, it will signal that other Republicans can sell themselves out for the sake of their political ambitions. As I quoted General Patton before, "I'd rather face a division of Germans in front of me than have a French one behind." At his point, we will be successful in fending off anything the Mayor of Indianapolis can throw at us, but if we elect a turncoat Republican, it will significantly erode our effectiveness at the State House.

So, to protect our God-given Constitutional Rights, please **JOIN, RECRUIT, VOTE, & FIGHT!**

*God Bless,*

**Charlie Hiltunen,**

**President, ISRPA**

# Indiana High Power State Championships

*By Dave Schnelle, Co-VP High Power*

The ISRPA Full Course High Power Rifle State Championship is in the books, and **man!- what a nail biter!** Mike King and Madelyn Schnelle battled back and forth for 2 days, both shooting incredible scores.

The weekend started out with picture perfect weather, low to mid 70's at the highest each day. Camp Atterbury was busy as usual, but we had no range delays, so we finished just after 1:00 on Saturday, and noon on Sunday.

At the end of day 1, Mike King held a decisive lead with a 790-25...Second place was held by Madelyn Schnelle, 785-31. Mark Richard was third with a 768-22 shooting a match rifle. Day 1 of the Championship is also the **Indiana Governor's Cup**, where the top five competitors earn the **Governor's Cup patch** and year tab. **Congratulations to this year's Governor's Cup winners: Mike King, Madelyn Schnelle, Mark Richard, Sean Pickel, and Bill Balda.**

Saturday afternoon we took 10 shooters to Atterbury Range Control to complete the Range Safety test, each one gaining a Range Safety Card.

Atterbury range procedures require at least 2 cardholders present on the range at all times, so this gives us a strong list of backup shooters to meet the Atterbury requirements. Then ISRPA hosted a cookout for all shooters later in the afternoon.

Sunday dawned for day 2 of the championship, with stellar weather, cool in the morning, but 70s during the day with a very mild wind. The battle for the two-day aggregate total continued, with Madelyn bringing her A-game. Day 2 results had Madelyn in first place with a 790-23 and Mike King second with a 785-34. Emma Branson, a junior, fired a personal best for the day to take third place with a 771-11.

Totaling day 1 and day 2 scores for the championship showed an incredibly close race. In the end, the battle for the Winged Lady (The Dan Ireland Memorial Trophy) was settled by X-count. Mike King took the Dan Ireland Trophy with a 1575-59 to Madelyn's 1575-54! Emma's strong day 2 performance was good enough to secure third place **overall** with 1523-25.

We had great representation from our Indiana Juniors, being 7 of the 19 competitors. Special thanks go out to all of the parents who gave up their weekend to bring the juniors to the match – without you, it could not have happened! These young ladies and gentlemen are the future of our sport!

**Competitors lined up for the after match photo op.**

# M1 GARAND AND VINTAGE SNIPER STATE CHAMPIONSHIPS

*By Drew Rudd*

On September 23<sup>rd</sup>, twenty-one shooters participated in the Southern Indiana Rifle & Pistol Club sponsored Indiana and Kentucky combined, CMP and ISRPA sanctioned M1 Garand State Championship as well as eleven, two person teams competing in the Vintage Sniper State Championship.

The day was fantastic with some interesting wind conditions for the sniper teams and even better camaraderie and competition.

Shooters from each state competed for a first-place plaque along with silver and bronze medals for second and third place competitors. The Indiana M1 Garand winners were 1<sup>st</sup> place: Drew Rudd 278-6, 2<sup>nd</sup> place David Clark 275-6, and 3<sup>rd</sup> place Steve Halajcsik 269-5.

**Pictured (L-R) are Silver Medal winner David Clark, Gold Medal and M1 Garand State Champion Drew Rudd and Bronze Medal winner Steve Halajcsik.**

The Indiana Vintage Sniper team winners were 1<sup>st</sup> place Jerry St. John/Donnie Abbott 369-12, 2<sup>nd</sup> place Steve Halajcsik/Drew Rudd 357-4, and 3<sup>rd</sup> place Mike Smith/Bill Thomas 344-1.

These championships are the culmination of the CMP Games program sponsored by the SIR&PC. The CMP Games program's participation has shown significant growth over the last eight years under the steady and generous support of the club along with the leadership of George Eberhardt and a host of dedicated volunteers. As a result of these efforts it has become a very popular shooting sports offering in Southern

Indiana, hosting twenty-five shooters on average for the CMP sanctioned matches consisting of "as issued" and Unlimited M1 Garand, Springfield, Vintage Military, Modern Military (GSMM) matches on the third Saturday of the month from April through October weather depending.

The club also hosts a skills clinic for those competitors who are interested in learning about and shooting GSMM matches as well as current shooters who desire to improve their shooting skills. These matches are great for shooters who are starting out competing in a non-intimidating and fun setting. The main goals of the SIR&PC GSMM program is to encourage a safe, fun, and family friendly shooting

competition experience that is geared toward shooters of all ages and experience levels.

The matches are shot on an electronic target system which allows for a very easy day at the range since it provides instant feedback to the shooter and eliminates the need for traditional "pit duty" to pull and mark shots on the target. The club also has M1 Garand rifles for loan along with required ammo for purchase so new shooters have no excuses for not participating in their first match. If you have not shot in a GSMM match, I urge you to make plans to attend one, and see for yourself how much fun you are missing.

# Sand Prairie Metric Prone

*By Cameron Zwart, Head Coach, Rifle & Pistol  
Club, Grand Valley State University*

BRISTOL— Six sling shooters and a lone F-Class shooter gathered at Chief Wa-Ke-De Range August 26-27 to shoot the Sand Prairie Metric Prone match hosted by the St. Joseph Valley Rifle & Pistol Association and sponsored by the National Rifle Association. The match consisted of four 40-shot stages each day fired at various distances for 320 total shots.

The first day of the match was fired with iron sights. The 50-meter match saw Jamie Piotrowski (Fishers) (**on left**) jump out to an early lead, shooting a 386-9. Cameron Zwart (Comstock Park, Michigan) (**on right**) was second at 382-10. In the Dewar match, Piotrowski and Zwart each had 20 center shots; however, Piotrowski earned two more points with a 387. Zwart propelled himself to the top of the standings in the 100-yard match, shooting a 386-18. Piotrowski was second with 379-15. In the reverse Dewar match, Zwart again edged out Piotrowski, 389-20 to 376-12. At the conclusion of day one, Zwart was in the lead at 1542-68. Piotrowski was second at 1528-56. Baron Whatley (Fort Wayne) was third overall and the top senior with a 1504-38.

Day two was fired with any sights, with all competitors opting to switch to scopes. The conditions

were similar to the day prior with pleasant temperatures and manageable wind conditions. In the 50-meter match, Piotrowski set the tone with a 395-21. Zwart was a near second, at 390-23. Piotrowski continued the trend with a 389-16 to win the Dewar match. Zwart was second at 386-18. In the 100-yard match, Piotrowski bested Zwart, 394-16 to 390-17, respectively. The match concluded with the reverse Dewar and Piotrowski finishing the daily sub aggregate sweep with a 390-19, besting Zwart by two points. On the day, Piotrowski won the any sight match at 1568-72. Zwart was second at 1554-80. Dan Weigel (Elkhart) finished third at 1543-57.

At the conclusion of the weekend, Piotrowski and Zwart both shot a 3096. Zwart won the tiebreaker on “x” count 148 - 128. Whatley, the lone dentist in the group, was third at 3022-85.

Grant Siebels (Peoria, Illinois), the lone F-Class shooter, shot daily scores of 1496-36 and 1519-44 for a total of 3015-80.

# Indiana Youth Compete At 4-H Nationals

*By Emma Bogle and Andrew and Brandon Metz*

Three Indiana youth, Emma Bogle and brothers Andrew and Brandon Metz, competed in the air pistol events at the 4-H National Shooting Sports Championship this year, thanks in part to a grant from the Indiana Youth Shooting Sports Foundation.

The national championship held June 26-30, in Grand Island, Nebraska, hosted teams from all across the country and offered competition in events ranging from air pistol and air rifle to archery, muzzleloader, shotgun, and smallbore pistol.

In order to qualify for the national competition, the team trained for months through the Hancock County 4-H Shooting Sports program under coaches Deb Cochard and Bill Jordan. “We work really hard with them,” said Cochard, “and every once in a while you get a set of kids that are willing to go the extra mile.”

That’s just what this team did, competing first at the Junior Olympics in Colorado Springs, Colo., and then qualifying for the 4-H National Championships at the state competition on May 13-20, at the National Muzzle Loading Rifle Association in Versailles.

Once in Nebraska, the team competed on three different days of shooting, each with a different challenge. On day one of the competition, they shot rapid fire, where each individual had to shoot a target that was only available for a period of 3 seconds. Shooters had to aim and shoot within that three-second interval before the target would then turn, giving just enough time for competitors to prepare to do it all over again. “It reminds me of old western movies,” Brandon Metz explained, “Just like how cowboys dueled. Except, nobody was shooting back at me.”

**From left: Coach Bill Jordan, Andrew Metz, Brandon Metz and Emma Bogle**

Day two brought a silhouette challenge, where each shooter had to shoot at five different metal animal targets, varying in size and distance. The competitors all thought it was incredibly interesting to see the variety of techniques, air pistols, and sight set-ups. “Some competitors were set up with 5x to 10x zoom lenses, and others, like us, used iron sights,” commented competitor Andrew Metz. “It was incredibly satisfying to hear the little metal animals go *plink plink plink* across the floor when you knocked one off its stand,” Bogle said.

On day three, they shot slow fire, where accuracy and the ability to stay calm was the name of the game. In all of these events, accuracy is important, but slow fire is about taking time to aim carefully at the bullseye. This event was especially familiar to the team because most of their previous competitions were slow fire. Emma Bogle was especially talented in this discipline, helping the team’s overall score tremendously. “Thanks to my coaches, I discovered a love of shooting and even discovered that shooting can actually help me relax!” Bogle said.

The team placed 11th overall, with Bogle earning a spot in the top 20 individual competitors. Brandon and Andrew Metz, who picked up the sport later in the year and had less time to train, both finished in the top 50 shooters in the nation.

The competition brought the shooters into contact with youth from around the country and even included a teen social, where different teams brought pins representing their various states to trade. “Getting to meet kids from across the country was one of my favorite parts of the trip,” said Andrew Metz. “It was fun to meet other kids and trade state pins with them.”

“My favorite part of the trip was getting to spend quality time with my teammates as well as getting to meet the shotgun team from Indiana,” Brandon Metz said. “Honestly,” said Bogle, “my favorite part of the trip was the whole experience! It is awesome to get the opportunity to go to big competitions like this. It is such a great way to learn.”

## Southern Indiana Trap Teams

*By Jason Seitz, Director of Shotgun*

On July 18<sup>th</sup> the annual AIM State Trap Championships took place at the Indiana Gun Club in Fishers. There were over 200 kids from all over the state competing for bragging rights. Local youth teams that competed in this year's shoot included the Indian Creek Youth team and the Crawford County High School team. The team from Crawford County consisting of Logan Ritchie, Hunter Rosbottom, Trent Hensley, Gavin Crecelius and Mathew McClure finished 2<sup>nd</sup> in the high school division. While the Indian Creek team had two stand out performances in the doubles event. Ashley Byrd took the high lady honors and Johnathon Seitz took 2<sup>nd</sup> in the Junior Gold division.

Events like this would not be possible for most teams without the support of The Midway USA Foundation and the Friends of the NRA Foundation generous team grant.

# FRIENDS OF NRA

*By Sue Mogle, Exec. VP*

Many young athletes (**below**) from the teams in the area were present helping with a great night at the **Anderson Friends of NRA banquet**. Thank you to all the volunteers and all of the donors that attended and made the event possible.

Fifty percent (50%) of the funds from Friends of NRA are returned to Indiana to go to Youth Shooting Sports. They are absolutely critical to youth programs all over the state.

Indiana Youth Shooting Sports Foundation thanks all of the young volunteers for their support! These events enable us to pay for entry fees for youth participation at many of the big competitions during the year all over Indiana and the nation.

We know, for a fact, we have Youth in Indiana shooting that would not be able to do so, if it was not for the financial support of the Friends of NRA!

There are still opportunities to attend Friends of the NRA events. As this issue goes to press there are events in: Falls of the Ohio, Huber's Orchard & Winery

Plantation at Borden October 14, Whitewater Valley, UAW Building at Hagerstown October 21, Warsaw Back Forty Sporting Clays at Bourbon November 4, and Western Indiana The Landing at Veedersburg January 14.

See all events and plan to attend:

## From the Friends of NRA Website

From the moment you walk in, the atmosphere is brimming with excitement. Whether you are keeping an eye on that unique item in the silent auction, trying your luck at the game tables, you will be sure to have a good time. It is a family-friendly event chock-full of everything from exclusive, limited edition merchandise and firearms to knives, art, jewelry, and more. Not to mention all the great people you will meet in the process!

With support from the NRA Field Staff, thousands of passionate volunteers committed to the future of the shooting sports participate in the program by organizing committees, securing donations, selling tickets, and hosting a Friends of NRA event in their communities.

Whether you are serving on the committee or attending with family and friends, you will meet committed citizens working together to protect our American freedoms.
